ABOUT US

Shanghai COPAK Industry Co., LTD. established in 2015, with sales office in Shanghai and associated factory in Zhejiang. COPAK is a professional supplier of eco-friendly food & beverage packaging products: PET/PLA cups, PET/PLA bottles, Paper bowls, etc.

As a long partner and strategic supplier for our customers, COPAK strives to keep innovating new products that stay on trend and manufacturing reliable, affordable and stylish packaging products.

COPAK's dust-free workshop and hands-free automatic production line guarantee the premium quality and high standards of cleanliness for all products. We have our own professional QC team, and we also build the know-how system in design, mold, material, production and packing.

We have supplied PET cups and bottles for many famous brands, including DQ, Coca-Cola and Starbucks. Now our products can be seen all over the world. From COPAK, customers are sure to have a dependable and reliable selection, and the fastest turnaround times for custom disposable products.

COPAK will listen to you, make professional suggestions and will bring you more benefits. Quality is the root, and we always take quality and service as life, supply the quality product and circumspect service whole-heartedly.

- *Modern factories and design team
- * Class-100000 air clean workshop
- *Advanced automatic production lines
- *Automatic UV-screen printing machines
- *Skilled engineers, workers and professional service team.

HIGH QUALITY

From material extruding, production, inspection and packing, all processes are finished in our dust-free workshop and through hands-free production line, which guarantee the premium quality and high standards of cleanliness for all products.

We have our own skilled and professional QC team, and we also build the know-how system in design, mold, material, production and packing.

We have the certificates of ISO9001, BRC, SGS, FDA, FSSC, BSCI, etc. And we have passed factory audit of SGS and BSCI as well.

PET/PLA CUP SERIES

The PET/RPET cups are made of Polyethylene terephthalate. PET cups are eco-friendly, crystal clear, odorless, beautiful and of food grade. They are ideal packages for beverages such as milks, ice coffee, smoothies, bubble tea, beers, milkshakes, frozen cocktails, water, sodas, and juices.

Our PET cups vary from 1oz to 32oz, both clear and custom printed, and usually equipped with flat or dome lids.
